- **General information** about the family and the Participant (address, family situation, etc.).
- **Parental consent** for certain aspects related to the reception (exit authorisation, right to their image, etc.).

Participation in specific activities

➔ Health

If a Participant shows signs of illness or in case of a minor incident or accident, the Ufcv will inform the parents. They may be asked to pick up the Participant if need be. In case of an accident or serious condition, for the sake of urgency, the hosting structure's director may require the assistance of emergency services and will inform the parents thereafter.

➔ Breakdown of reception

The child may no longer be welcomed on all activities, in the following cases:

- incomplete file
- non-payment on time
- repeated misconduct or incorrect behavior vis-à-vis other participants or the equipment/premises.
- unsuitable hosting structure given the Participant's needs
- repeated family lateness at the end of the activities

Any incident of the aforementioned cases will be communicated to the parents' association.

➔ Theft, damage

It is not recommended to bring valuables (jewellery, telephone, game console, etc.). Ufcv declines any responsibility in case of loss, theft or damage of such property.

In the case of voluntary damage by a Participant (premises, equipment...), the Participant's family will be requested to reimburse the restoration work.
